The **Supplier** will be deemed to have accepted these terms at the time when the **Supplier** completes the registration process and **Achilles** sends to the **Supplier** an email confirming acceptance of the **Supplier's** application for registration. These terms and conditions shall apply to the exclusion of any other terms and conditions, including without limitation any purchase order or confirmation of order provided by the **Supplier**.

2. General Terms

The **Supplier** agrees to answer the questions in the **Questionnaire** as accurately and completely as possible such that the completed **Questionnaire** reflects the general status of, and the specific goods and or services offered by, the **Supplier** at the time of completion of the **Questionnaire**. The **Supplier** is responsible for reviewing and maintaining the accuracy of the data information entered in the **Questionnaire**. Certain functionality within the **Community** may generate email or other forms of electronic messaging to be sent to the **Supplier**. The **Parties** recognise that such forms of communication are not infallible, and it is the **Supplier's** responsibility to ensure any contact details provided to **Achilles** are correct, and to make regular checks to view any communications which may be held on the **Community**.

Achilles may request **Supplier** to update or confirm the information **Supplier** has entered into the **Questionnaire** if it believes there may be errors or inconsistencies. Once confirmed by the **Supplier**, **Achilles** will publish the entire information provided by the **Supplier** through the online **Questionnaire** out to the **Subscribers**, by loading the completed **Questionnaire** responses into the relevant **Community** databases where it may be searched by **Subscribers**. **Achilles** will provide **Supplier** with email confirmation once **Supplier's** information has been loaded onto the **Community** search databases. **Achilles** may use the information provided by **Supplier** to analyse and to improve the services and products it offers to customers. **Achilles** may make selected non-sensitive elements or anonymised **Supplier** information available to third parties or **Subscribers** of other communities operated by **Achilles**.

The **Supplier** agrees not to use the **Questionnaire** to knowingly load, post or distribute any information that:

- i. infringes the **Intellectual Property** rights of any other person or entity; or
- ii. is harmful, inaccurate, misleading, fraudulent, defamatory, obscene, offensive or otherwise illegal.

Achilles and the **Supplier** shall use their reasonable endeavours to ensure that computer software viruses that may damage hardware, software or communication systems, are not knowingly created or introduced to the web site hosting the **Questionnaire**.

The **Supplier** further agrees to maintain the confidentiality of the unique questionnaire log on, required by the **Supplier** to gain access to the **Questionnaire**, issued by **Achilles** in the **Community** introductory letter or email. The **Supplier** agrees to limit distribution of this log on to individuals in the **Supplier's** organisation who require access to this log on for the purpose of completing the **Questionnaire**. In addition, the **Supplier** will notify **Achilles** immediately if it knows or suspects any misuse of, or breach of confidentiality relating to this log on.

Neither **Party** shall offer, give or agree to give to any person employed by or on behalf of the other **Party** any gift or consideration of any kind as an inducement or reward for any act in relation to the provision of the **Community**. Any breach of this condition by the **Supplier** (or by anyone employed by or acting on its behalf) in relation to the **Community** will entitle **Achilles** to terminate this agreement with immediate effect. Under such circumstances, **Achilles** will not refund any fees received from the **Supplier**.

Notwithstanding anything else in these terms and conditions and with the exception of the obligation of the **Supplier** to pay the fee, neither **Party** shall be liable for any failure in performing any of its obligations under these conditions if such failure is caused by circumstances beyond its reasonable control, which shall include any Act of God, war, trade dispute, fire, flood, drought, tempest or any other abnormal weather conditions.

If at any time any one of the provisions of these terms and conditions becomes invalid, illegal or unenforceable in any respect, the validity and enforceability of the remaining provisions shall not in any way be affected or impaired. These terms and conditions shall continue in effect until amended by **Achilles** by written notice. These terms and conditions may be provided with translations into other languages, and if a contradiction should occur between such translations then the terms of the English version will take precedence.

Achilles and the **Supplier** confirm that any agreement entered in to between **Achilles** and the **Supplier** shall be between those parties only and that unless expressly agreed otherwise herein, no third party shall have any rights under the Contracts (Right of Third Parties) Act 1999 to enforce any term of such agreement. Furthermore, no third party may be held liable to or owes a duty of care, responsibility or

liability to the **Supplier**. The **Supplier** agrees that it will not bring any claim or proceedings of any nature (whether in contract, tort, breach of statutory duty or otherwise and including, but not limited to, a claim for negligence) in any way in respect of or in connection with these terms and conditions against any such third party.

3. Indemnities

The **Supplier** will indemnify and keep indemnified **Achilles**, its officers, employees and agents against all and any liability, losses, damages, awards, claims, costs and expenses that they may sustain or incur arising from **Supplier's** breach of any representations, warranties or obligations set forth under these terms and conditions.

Achilles will indemnify the **Supplier** for any loss suffered by the **Supplier** as a result of **Achilles'** failure to comply with any applicable laws or regulations in providing the **Community**, and against all and any liability, losses, damages, awards, claims, costs and expenses that they may sustain or incur arising from **Achilles'** breach of any representations, warranties or obligations set forth under these terms and conditions, subject to the limit stated below.

Nothing in these terms and conditions will serve to limit or exclude the liability of either **Party** in respect of any matter which cannot be limited or excluded by law. For all other matters, **Achilles'** aggregate liability to the **Supplier** in respect of all claims (whether in contract or tort) will not exceed the value of the preceding 12 months' fees paid by the **Supplier**. **Achilles** will not in any circumstance be liable for indirect, incidental or consequential loss or damage or loss of profits, revenue, business, interest, anticipated savings, use of any open source software or any business interruption.

The web site hosting the **Questionnaire** may provide links to other internet sites. **Achilles** is not responsible for the availability or content of such other sites. The **Supplier's** accessing of any of these sites is entirely at the risk of the **Supplier**.

4. Fees and Payment

An annual non-refundable fee is payable by the **Supplier** for subscribing to the **Community**, the amount of which is specified in the **Supplier's** application. If, in accordance with the applicable legislation of the country of the **Supplier**, services rendered by **Achilles** under this agreement are subject to tax withheld from the service fees and to be remitted by the **Supplier** to the respective tax authorities, the fees for services should be increased by the **Supplier** by the respective amount so that, after withholding of these taxes from the fee amount, **Achilles** is paid the amount of fees equal to the amount which **Achilles** would receive if there were no such withholding. Such fee is payable by the methods set out on the **Achilles** website from time to time. The **Supplier** acknowledges and agrees that if paying online:

- payment will be processed on **Achilles'** behalf by **Achilles'** payment processing sub-contractor (the "**Payment Processor**") from time to time (currently CyberSource Limited, a UK registered company);
- the **Payment Processor** may process any personal data provided by the **Supplier** for the purpose of processing payment of the fee;
- receipt by the **Supplier** of any email notification that the **Supplier's** payment is being or has been processed does not constitute acceptance by **Achilles** that it will include the **Supplier's** information in the **Community** and/or that there exists a contract. If **Achilles** decides, for whatever reason, to decline the **Supplier's** application, then any amounts paid by the **Supplier** will be repaid without delay; and
- payment of the fee may be made to Achilles or any of its affiliates and receipt by any such entity shall constitute valid performance by the Supplier of its obligation to pay such fee.

5. Equifax Financial Information

The **Supplier** hereby accepts that **Achilles** has the right to obtain the **Supplier's** last three years worth of statutory audited accounts (or equivalent) directly from Equifax plc ("**Equifax**"), and to display these accounts in the **Community** alongside the additional information submitted by the **Supplier** in the **Questionnaire**. **Achilles** shall thereafter automatically update the **Supplier's** accounts in accordance with updates sent to **Achilles** by **Equifax**. In the case that **Achilles** does not or cannot obtain the **Supplier's** accounts from Equifax then the **Supplier** must complete and submit their accounts through the **Questionnaire**, and it is therefore the **Supplier's** responsibility to ensure such accounts are accurate and up-to-date.

Achilles shall make available, through the **Questionnaire**, and where available, the **Supplier's** accounts as provided to **Achilles** by Equifax. **Achilles** shall notify the **Supplier** when Equifax have provided accounts to **Achilles**. The **Supplier** is solely responsible for ensuring that the accounts provided to **Achilles** by Equifax are correct. **Achilles** shall endeavour to rectify any incorrect accounts within a reasonable period where the fault is with Achilles; where the fault is with Equifax then the **Supplier** must liaise with Equifax directly to rectify any incorrect accounts. **Achilles** shall advise the **Supplier** how to contact Equifax if this is the case. **Achilles** accepts no liability whatsoever for the accuracy of accounts provided by Equifax or any arising consequential loss that may be incurred. In addition, the **Supplier** accepts the disclaimer issued by Equifax as defined in Schedule A.

6. Ownership Rights

The copyright and all **Intellectual Property** rights whatsoever in the **Community** database, the **Questionnaire**, all computer programs, user manuals, **Achilles** sponsored web sites, questionnaires and other documentation in connection with the **Community** will remain vested in and be the property of **Achilles**, and **Supplier** agrees not to copy, decompile, reverse assemble or otherwise replicate the **Questionnaire**. Any **Intellectual Property** in the information entered by the **Supplier** onto the **Questionnaire** shall, at all times, remain vested in the **Supplier**.

7. Confidentiality

Notwithstanding **Achilles'** duty to publish the **Supplier's Questionnaire** responses to **Subscribers**, **Achilles** and the **Supplier** agree to keep in confidence for a minimum period of five years from the termination of these terms and conditions any information obtained under these terms and conditions and will not divulge the same to any third party, other than its own officers, employees or agents, without the prior written consent of the other **Party**.

Achilles shall use all reasonable endeavours to protect and safeguard the information provided by the **Supplier** from loss, theft, destruction, third party intervention, "hacking" and the like from accidental disclosure and shall ensure all employees do likewise.

This provision shall not apply to:

- i. any information in the public domain other than in breach of these terms and conditions;
- ii. information that is either trivial or obvious or already in the possession of the receiving **Party** before its receipt from the disclosing **Party**;
- iii. information received from a third party (other than a **Subscriber**) who is free to disclose the same;
- iv. disclosure of information which is required by law or a regulatory body;
- v. information developed by one **Party** independent of the other; or
- vi. information disclosed to professional advisers, auditors, bankers or financiers provided a confidentiality undertaking is in force with at least the same terms as this clause.

Achilles agrees to ensure that each **Subscriber** (including their subcontractors if applicable) undertakes similar terms of confidentiality before being allowed to access the **Community**.

8. Data Privacy

Supplier is aware that the information, including personal data, it submits in the **Questionnaire** will be shared with **Achilles** and the **Subscribers**, potentially including to countries outside the European Economic Area ('EEA') where the data protection laws are not equivalent to those in the EEA. Such personal information will include the names, job titles and contact details of **Supplier's** employees and workers provided by **Supplier** in response to the key contact section of the Questionnaire. All personal data provided to us by the **Supplier** will be processed by **Achilles** as set out in our Buyer/Supplier Privacy Notice which can be found at www.achilles.com.

Supplier confirms that (i) all personal data provided to Achilles has been collected and disclosed in accordance with the requirements of the General Data Protection Regulation (Regulation 2016/679) and applicable national data protection legislation; and (ii) **Supplier** has the explicit consent of its employees and workers whose personal data it shares with us in response to the **Questionnaire** for **Achilles** to transfer such personal data outside the EEA for the purposes contemplated in these terms and conditions.

9. Term and Termination

These terms and conditions shall continue in force for the term of the Supplier's registration and shall terminate automatically at the end of such period.

Without prejudice to any of **Achilles'** other rights or remedies, **Achilles** may remove the **Supplier's** details (either temporarily or permanently) from the **Community** and terminate this contract in the event of any actual or suspected breach by the **Supplier** of these terms and conditions, or Supplier insolvency or other event occurring in respect of the **Supplier** as a consequence of debt.

10. Law and Jurisdiction

These terms and conditions shall be governed by the laws of England and the **Parties** shall be subject to the exclusive jurisdiction of the English courts.

As a condition of Equifax allowing Achilles Information Limited to provide the Financial Information to you, Equifax Plc requires you to agree to the following terms and conditions.

- Most of the Financial Information is provided to Equifax by others and as such Equifax does not control the Financial Information's accuracy or completeness. The volume and nature of the information on Equifax's databases makes it impractical for Equifax to check it. Because of this, Equifax will only be liable to you for any loss or damage caused by its negligence or wilful default and Equifax shall not in any other circumstances be liable for any inaccuracies, faults, or omissions in the Financial Information.
- You must not rely upon the Financial Information as the only factor or source of information in making any decision. Further advice and information from appropriate experts and professionals should be obtained before making any decision.
- Equifax shall not in any circumstances (whether for breach of contract, negligence or any other tort, under statute or otherwise at all) be liable for any indirect or consequential loss or damage at all, or any loss of business, capital, profit, reputation or goodwill.
- Nothing in these terms shall limit or exclude Equifax's liability for death or personal injury arising from its negligence. Equifax's entire liability in respect of all causes of action arising by reason of or in connection with these terms (whether for breach of contract, negligence or any other tort, under statute or otherwise at all) shall be limited to the amount you paid Achilles Information Limited for the Financial Information (excluding VAT).
- If you want to make a claim against Equifax in relation to the Financial Information, you must give Equifax written notice of the claim within 3 months of becoming aware of the circumstances giving rise to the claim or, if earlier, 3 months from the time you ought reasonably to have become aware of such circumstances. If you do not, Equifax shall not be liable for the claim.
