

Habasit® Cleandrive lug drive

Habasit's most hygienic and reliable food-safe standard lug drive belt is now available in white and cobalt blue. Sturdy, fixed-width lugs allow self-tracking for effective drive and belt positioning. Dimensional stability prevents stretching for longer life and less downtime. Easy cleanability.

Ideal for bread, candy, chocolate, dairy, frozen food, fruit, pizza, poultry, ready-to-eat meals, red meat, seafood, and vegetable processing. Also a great solution for other areas and non-food applications.

Advantages

- Smooth surface and rounded lugs for easy cleaning and bi-directional ability
- Chemical, abrasion, and microbial resistant TPU material
- Less chemical, water, and time for cleaning
- Aramid cords prevent elongation (stretch less than one percent)
- Long lasting and reliable with less maintenance cost
- Sidewall, cleat, and custom fabrication options
- Compatible with non-Habasit sprockets
- USDA-certified for meat, poultry, and dairy

Product Information

Key Features

Material	TPU thermoplastic polyurethane
Conveying Side	Glossy, adhesive
Pulley Side	Lugs
Available widths	Up to 1,810mm (71.3")
Row between lugs	605mm (23.8") (<i>center to center</i>)
Pitch	39.9mm (1.57") (<i>center to center</i>)
Sidewall Options	Variable heights up to 100mm (4")
Flight Options	Up to 152mm (6")
