ABOUT PLANGRID

PlanGrid is an intuitive, sheet-based mobile construction app that keeps everyone building from the current set. Today, PlanGrid is the world's most downloaded construction app, with a five-star rating and over 5,300 App Store reviews.

Reclaim your time

Say goodbye to handling paperwork, chasing information, and making repeated trips to the trailer.

Build more, stress less

Avoid costly rework by eliminating outdated drawing sets or missed project details.

Work together, faster

No more waiting to collect and share field information with your project teams and systems.

Easy navigation

PlanGrid automatically links your detail callouts and text links, making the details you need only a tap away.

Always in order

Upload a new sheet or version, then sit back and let PlanGrid read the sheet name and leaf it in for you automatically.

Lightning fast

Zoom in and out smoothly, and skip the wait for your sheets to load. PlanGrid pre-renders every detail.
