Conoce a los dinosaurios (Meet the Dinosaurs)

"Dino" Don Lessem introduces readers to various species of dinosaurs, some that have never before been illustrated. He details their habitats, way of life, and how they became extinct. These high-interest books will capture kids' attention with fun facts and colorful illustrations and photographs. Don is a dinosaur expert that has written more than 30 children's books on the subject. He writes a popular dinosaur column in *Highlights* magazine, and served as an adviser for the film *Jurassic Park*.

Mi primer paso al mundo real — Los grupos de alimentos (First Step Nonfiction — Food Groups)

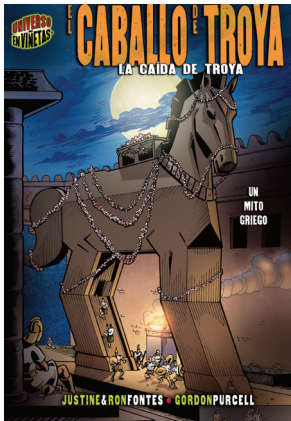

Build nutritional awareness through this appetizing series. The main text explains why each food group is beneficial and how much to eat. Kids will especially love the trivia in the back of the book; for example, did you know an average cow produces 90 glasses of milk everyday? In contrast, a hen lays only one egg every 24 to 26 hours.
