Three Audio Speeds

Lerner Interactive Books offer three audio speeds to support struggling, at-level, and newly fluent readers. All audio is professionally recorded by live voice talent. Students can adjust the reading pace to their reading ability.

Integrated Sound & Highlighted Text

Audio narration allows kids to follow along as each word is highlighted on the screen. This builds word recognition, fluency, vocabulary, and comprehension skills. Sound can be turned off for students to practice reading independently.

Shapes are made from lines.

Click any word on the page to hear it repeated.

Glossary

Students can click to hear the definitions read aloud.
