# FIRST AVENUE classics™

**160  
TITLES  
AVAILABLE!**

From Alice and the Wizard of Oz to Hamlet and Don Quixote, your favorite characters from literature are now accessible from any digital device. **First Avenue Classics** transform unabridged versions of literary staples into compelling digital layouts, making the books appealing and easier to read. Students and educators will be able to easily navigate the fixed-format pagination and hyperlinked table of contents. When available, original illustrations are also featured.

**First Avenue Classics** are available for purchase by individual title or as a group using the collection ISBN. **Multi-user access** covers the entire school, allowing titles to be simultaneously used for classroom assignments, book club picks, and independent reading. **Each school owns the eBooks forever**—no hosting or subscription fees apply. Instead of annually resupplying lost books from classroom collections of assigned classics, purchase a multi-user eBook once and have it for years to come.

*With the click of a button, all **First Avenue Classics** can be downloaded to a mobile device for offline reading, so students have access even when away from an internet connection.*

## 1 TEXT HIGHLIGHTING

As the audio track plays, text is highlighted for readers to easily follow along, helping them make the audio and visual connections.

## PROFESSIONAL NARRATION

Voice actors read the text aloud in an expressive, smooth narration, helping listeners with fluency and comprehension skills.

## 2 FIXED PAGINATION

Pages do not reflow on mobile devices or computers, allowing readers to have the same experience as students reading print editions of the book.

## VARIETY OF MATERIALS

Audisee eBooks with Audio include a wide variety of genres, including graphic novels, picture books, biographies, informational and high-interest nonfiction, chapter books, teen-oriented high/low fiction, realistic fiction, sports, mysteries, paranormal, and more.

## 3 EASY NAVIGATION

Familiar icons indicate how to pause, play, stop, and change the volume on the audio track. Leaving the Auto Play feature "on" turns pages automatically. With it "off," readers can manually turn the pages.

## DEVICE AGNOSTIC

Readers can use a variety of devices to enjoy Audisee eBooks with Audio titles, including smart phones, tablets, e-readers, laptops, and desktop computers. Titles can be accessed online using any web browser or downloaded for offline reading using the Lerner Digital iPad® or Chromebook™ apps.

### 1 INTEGRATED SOUND & HIGHLIGHTED TEXT

Audio narration allows kids to follow along as each word is highlighted on the screen. Sound can be turned off for students to practice reading independently.

### 2 THREE AUDIO SPEEDS

Three audio speeds support struggling, at-level, and newly fluent readers. All audio is professionally recorded by live voice talent. Students can adjust the reading pace to their reading ability.

### 3 SINGLE WORD REPEAT

Click any word on the page to hear it repeated.

### 4 PAGE TURN

When auto page-turn is off, visual and auditory cues alert readers to click or turn to the next page. Activate auto page-turn for a continuous reading experience.

### 5 PROGRESS BAR

The click-and-drag interactive progress bar allows readers to quickly jump to pages within the book.

### 6 FUN

This tab provides links to extras such as online games, video or sound clips, activities, or downloadable lessons.

### 7 QUIZ

Each book includes a short multiple-choice quiz to verify reading comprehension. With one click, the student can output their graded quiz as a PDF for easy printing or emailing.

### 8 TOOLS

The zoom-in feature allows readers to enlarge text for easier reading. Pen, highlighter, and eraser tools allow students to interact with the text.

### 9 GLOSSARY

Students can click to hear the definitions read aloud.

### 10 HELP SECTION

A teaching guide and an implementation guide provide lesson ideas. Additionally, educators can access a white paper detailing the reading development research behind Lerner Interactive Books.
