

The quality of your showroom floor shouldn't stop at the register.

NOVA has partnered with Worldpay, a global leader in payment technology. Together, we offer payment processing services that are specifically tailored to retail shops like yours.

Features and benefits:

Strong security

Protecting your customers' cards and card data truly pays off. Get the confidence of full-range protection that helps keep sensitive card data safe at all points of the transaction, ensuring customer information – and your retail shop – remain secure.

Streamlined operations

Because our payment processing comes built into the most popular POS systems for the retail industry, you'll get fast transactions, quick funding, and detailed, on-demand reporting – all from day one.

Added acceptance

Give your customers the freedom and satisfaction of paying with their preferred payment methods. Easily accept credit and debit as well as gift and the latest in mobile and contactless payment technology for more business and more happy customers.

Dependable support

We're here to help you quickly resolve any payment issues. With helpful troubleshooting, actionable alerts, and our comprehensive, 24/7 phone and email support even on major holidays, you never have to go it alone.

Leave the hassle behind, Leave the payments to us. Let's talk.

The right fit for retail – and you

In today's busy world, you don't have time to become a payments expert for your retail store – you need a payments partner who understands your business. When you partner with Worldpay and NOVA, you'll be able to offer your customers better service while simplifying business operations so you can focus on running your shop.
