An Alternative to Stainless Steel at ½ the Cost

OVERVIEW

- ✓ The Sterilpac® boasts: full recyclability, enhanced vacuum resistance (EVR), indoor and outdoor storage capability, and maximized stacking up to 4 high.
- ✓ Offers superior performance, enhanced interior surface quality, and can effectively package a multitude of products including sensitive hygienic formulations and robust hot-fill applications up to a max of 300 °F.
- ✓ Ideal for: essential oils, citrus concentrates, fruit purees and peppers.
- ✓ Available to ship worldwide!

Sterilpac's® proprietary multi-layer barrier provides extended shelf life and protection for even the most stringent applications.

Tight head drum now also comes with standard 2" and ¾" fittings.
