Greif Express Features

OVERVIEW

- ✓ One Greif Express container can fit up to 54 large drums.
- ✓ Six Greif Express containers per delivery.
- ✓ Suited for palletized drums (up to 48 drums in compliance with local transport regulations).
- ✓ Four entries pallet.
- ✓ Easy opening system.
- ✓ Document holder and windows.
- ✓ Handling by a standard 3T forklift.
- ✓ Open top option designed for automatic unloading.

Safe & Fast

A forklift can quickly and safely unload a full truck and bring drums near a filling station, eliminating the need for manual handling.

Cost-Effective

In addition to reducing labor costs, you can maximize your storage space by letting Greif Express become a warehouse for your empty drums.

Preserves Quality

Stored empty drums are protected from dust, rust and bumps until they are filled.
