

**The Exchange Advantage**

ONLINE's proprietary Rental Exchange prevents tenants from moving between rentals without paying you and your industry peers. The hardest obstacle to overcome in the recovery of past-due rental debts is locating and contacting the consumer. We're able to overcome this obstacle by proactively obtaining new contact information from the members of our national Exchange.

Every time an individual applies for services their new phone number and address is updated in ONLINE's national Exchange. Having this information in real time enables ONLINE to locate your previous tenant and contact them more efficiently than any other agency.

**What this means for you: Better RESULTS with ONLINE.**
